Welcome to Chilliwack

Thank you for your interest in our International Student Program. We are proud to offer an outstanding educational program for International Students. You will be provided with challenging academic studies and English language learning opportunities in classrooms where you will be fully integrated with your fellow Canadian students. Your education program will be based on high standards of academic excellence, and Chilliwack School District will prepare you to successfully enter post-secondary studies at the university or college level.

We sincerely believe that Chilliwack has so much to offer as a school district and community. Please explore our web site to learn more as to why we feel this way, and let us know if we can help you with any additional information. We invite you to come study and live with us!

It's All Here

Chilliwack is the warmest year-round city in Canada, yet has four distinct seasons to enjoy. It abounds in nature, as it is literally just minutes away from gorgeous mountains, forests, lakes, and two rivers flow right through the city. All this, coupled with our tremendous public facilities, means the recreational opportunities are endless!

Furthermore, Chilliwack is just a 20-minute drive to the U.S. border, and one hour east of the Pacific Ocean and the cosmopolitan city of Vancouver. We are also within 1.5 hours of six ski resorts, and a seventh, world-famous Whistler-Blackcomb, a breathtaking 2.5 hour drive away.

Let the Adventure Begin!

Learn & Grow With Us!

Our International Students are fully immersed in their school communities, where 98% of the students have English as their first language. It is amazing how quickly our International Students improve their English skills, which leads to success in their academic studies. Our schools are friendly and welcoming, and present many opportunities for diverse learning and extracurricular experiences.

Our Homestay families are warm and caring, and provide students with a wonderful taste of the Canadian lifestyle.

Join us in Chilliwack, and experience all that the West Coast and the Fraser Valley have to offer!
