INSURANCE

Through our *International Student Program*, students are provided medical insurance coverage with StudyInsured™, and then, when eligible, also with British Columbia Provincial Health Insurance (MSP). Insurance coverage will be provided during the entire length of the student's stay in Canada.

HOMESTAY COSTS

The Homestay Fee is \$1,150 per month and covers the student's accommodation and meals. The fee for the entire period of the student's stay is paid in advance to the School District and the School District then pays the homestay family the monthly stipend on the student's behalf.

International Students are expected to pay the full amount of the monthly Homestay Fee for months such as December, January, and March, even if they leave the homestay residence during a holiday period.

With regards to the month of June, if the student leaves the homestay residence on or before June 15th (and notifies the Homestay Coordinator of the intention to do so by June 1st), the student will only have to make the homestay payment for the first half of June (\$575). However, if the student leaves the homestay residence after June 15th, the student is responsible for paying the full month's homestay fee (\$1,150).

An additional fee of \$100 – \$200 will be added to the monthly Homestay Fee for the following dietary considerations:

- gluten free (Celiac)
- vegan
- vegetarian
- pescatarian
- lactose free

Other dietary considerations will be evaluated on a case-by-case basis.

ADDITIONAL COSTS

International Students will not be charged additional fees for items which are required costs of the school and the classes they are enrolled in. For example, locker fees, Physical Education class fees, art project fees, etc. However, they are expected to pay for items which are completely optional and at the discretion of the student. Examples of which would be things like, joining the school ski club, sports teams, courtesy bussing (transportation), etc.

REFUND POLICY

Full refund, less Application Fee, Homestay Placement Fee, Custodianship Fee, Airport Transfer Fee, and any unused portion of the Medical and Homestay Fees if student authorization is not approved by Canadian Embassy or Consulate (**letter of rejection from High Commission must be included**).

If a student cancels their program 60 days before its commencement, the Homestay Fee, Medical Insurance Fee, and two thirds of the Tuition Fee are refundable.

If a student voluntarily leaves the program within 30 days of its commencement, half of the full Tuition Fee and any unused portion of the Medical and Homestay Fees are refundable.

If the status of the student changes after September 30th to Non-fee Paying as defined by SD33 Administrative Regulation 321.1, there will be **NO REFUND** of international fees for that school year.

30 days after the commencement the student's program **OR** in the event of being required to leave the program because of faulty documents, failure to obey Program Rules, or being charged with a criminal act in Canada, **NO REFUND** is provided.

Please Note: In all of the aforementioned situations, there will be no refund of the Application Fee, Homestay Placement Fee, and Custodianship Fee.

The Board and school will not be liable for losses or expenses you may incur as a result of the Board being unable to provide education owing to labour disputes or other causes beyond its control. Fees will be refunded only if the education program in which the student is enrolled cannot be completed within the enrollment term.
